

AN ORDINANCE REGULATING SOLID WASTE MANAGEMENT

An Ordinance: Pertaining to public health, safety, and welfare; regulating storage, collection, transportation, and disposal of solid waste; providing for collection and disposal of solid waste.

Be it ordained by the Board of Trustees of the Village of Oakwood:

SECTION 1 SOLID WASTE STORAGE

1. The occupant of every dwelling unit within the Village of Oakwood shall provide sufficient and adequate containers for the storage of all solid waste except bulky rubbish and demolition and construction waste to serve each such dwelling unit at all times in good repair.
2. The occupant of every dwelling unit shall place all solid waste to be collected in proper solid waste containers, except as otherwise provided herein, and shall maintain solid waste containers and the areas surrounding them in a clean, neat and sanitary condition at all times.
3. Residential solid waste shall be stored in containers of not more than 35 gallons nor less than 20 gallons in nominal capacity. Containers shall be leakproof, waterproof, and fitted with a tight lid and shall be properly covered at all times except when depositing waste therein or removing the contents thereof. The containers shall have handles, bails, or other suitable lifting devices or features. Containers shall be of a type originally manufactured for residential solid waste, with tapered sides for easy emptying. They shall be of light weight and sturdy construction. The weight of any individual container and contents shall not exceed 75 pounds. Galvanized metal containers, or rubber, fiber glass, or plastic containers which do not become brittle in cold weather may be used. Disposable solid waste containers may also be used.
4. Tree limbs less than 4" in diameter and brush shall be securely tied in bundles not larger than 48" long and 16" in diameter when not placed in storage containers. The weight of any individual bundle shall not exceed 75 pounds.
5. Yard wastes shall be stored in containers so constructed and maintained as to prevent the dispersal of wastes placed therein upon the premises served, upon adjacent premises or upon adjacent public rights of way. The weight of any individual container and contents shall not exceed 75 pounds.

SECTION 2 SOLID WASTE COLLECTION

1. All solid waste collected shall, upon being loaded into transportation equipment, become the property of the collection agency.
2. Tree limbs, yard wastes, solid waste containers shall be placed at the curb for collection. Such materials shall not be so placed until the regularly scheduled collection day.

3. Solid waste collectors are hereby authorized to enter upon private property for the purpose of collecting solid waste therefrom as required by this ordinance.
4. All residential solid waste, other than bulky rubbish, shall be collected at least once weekly.
5. Residential solid waste containers shall be stored upon residential premises.

SECTION 3 DISPOSAL OF SOLID WASTE

All solid wastes shall be deposited at a processing facility or disposal area complying with all requirements of the Missouri Solid Waste Management Law of 1972, Sections 260.200 to 260.245 RSMo. 1973 Supplement and the rules and regulations adopted thereunder.

SECTION 4 PENALTIES

Any person violating any of the provisions of this ordinance shall be subject to penalty.

SECTION 5 DIRECTOR

The Chairman of the Board of Trustees of the Village of Oakwood shall be the Director of the Solid Waste management program.

This ordinance shall become effective upon 12th May, 1977.

Passed and approved this 12th day of May, 1977.
